Renovation project!

This spacious property is located higher up in the charming white village of Salares, La Axarquía (province of Málaga). Málaga airport is just over an hour away and the beach at Torre del Mar 30 km (45 min). The lively village of Cómpeta, is less than 20 minutes drive away and in Sedella or Archez you are within 10 minutes. With such a privileged location, the surroundings of Salares are stunning. The municipality extends from the mountain peaks of the Natural Park of Sierras de Tejada, to the end of the river Rubite (towards Sedella), with unique pretty spots along the way such as, for example, the area around the river Salares where you can do some beautiful hiking.

The town house with Moorish influences has yet to be completely finished. There are 3 double bedrooms and 1 single bedroom. Furthermore, there are 2 bathrooms, one of which is ensuite. The kitchen opens onto a terrace.

The roof terrace of the tower offers fantastic views. The basis is there to make a beautiful house of it. Our renovation team is at your service!
