Axarquía, Salares

This beautiful and characteristic townhouse is located a bit higher up in the white village of Salares, located in the Axarquía region (Malaga province). The car can be parked nearby and there are beautiful walks in the area.

The traditional townhouse with beamed ceilings has 2 bedrooms and 1 bathroom. There is a utility room opposite the front door. Under the house there is a large storage room of 30m² with separate entrance that can be transformed into additional living space if desired. At the outside steps, you have the opportunity to enjoy the morning sun. The thick walls provide coolness in the summer months and warmth for the colder days.

Salares is a picturesque white mountain village, located in the Sierras de Tejeda Natural Park, and has preserved its Arabic past to this day. Life here stands still and you hardly come across more authentic than this. There is a shop for basic provisions. In the hot summer months, the public swimming pool provides much-needed cooling.

Málaga airport is about 70 km (over an hour's drive), the indoor shopping centre in Vélez Malaga 28 km (40 min), the beach at Torre del Mar 30 km (45 min), Cómpeeta, as well as Canillas de Aceituno are less than 20 minutes' drive away and in Sedella or Archez you are within 10 minutes.

If you are looking for an attractive and authentic house in a picturesque white village, this is your chance.
