New build project consistent of 6 modern apartments with state-of-the-art installations.

Construction start: October 2022

Completion and delivery: March 2024

Malaga - In the centre of History

The building

The façade and patio reflect the soul of the century old building when past elegance meets modern state of the art architecture. All six apartments in the property have large windows facing the patio, giving them a lovely natural light all year around. The fountain in the patio brings us back to the origin of the wells that provided Catholic monasteries in the area with fresh water during the 15th century.
