Costa del Sol, Fuengirola

Between Marbella and Malaga, Fuengirola is one of the most lively cities on the Costa del Sol, one of the residential gems of the area and a rising value with a high quality of life. Living in Edificio España means enjoying leisure activities, culture, services, tranquility and the Mediterranean lifestyle without having to give anything up.

Its elegant style makes this building an example of modern architecture in which everything has been designed with the comfort of its inhabitants in mind. It was created with the vocation to become an emblematic construction of Fuengirola and the entire Costa del Sol. The exterior garden areas, garages, venues and passageways maintain the elegant and modern style.

Prestigious architecture firm A-cero, led by Joaquín Torres and Rafael Llamazares, has created a project with its own style that reflects an exclusive concept of quality of life: current, elegant, classy and in line with the latest technology, all of which make liveability a pleasure for the senses.

Exquisiteness up to the last detail in an emblematic building designed by A-cero in the Costa del Sol.
