Costa del Sol, Benahavís

Venturing inland to the heart of the Costa del Sol, you will discover a prestigious, gated community of only 14 detached five-bedroom villas, designed by a renowned slice of Costa del Sol heaven, a place where architect Carlos Lamas.

All 14 of these properties are completed; you have the chance to own an outstanding finished villa, undisturbed by building work and without the stresses associated with purchasing an “off-plan” property.

This development is a reward for the over-worked professional or hectic family. You deserve a slice of Costa del Sol heaven, a place where the sun shines for over 300 days of the year. This development is the perfect solution for those seeking a statement and contemporary home, in a peaceful and private location, just a stone’s throw from the coast’s luxuries.
