## Costa del Sol, Fuengirola

The luxurious, spacious homes have 2, 3 and 4 bedrooms, with an elongated sliding door to maximise natural light and emphasise the amazing views.

The development design is avant-garde and uses sustainable materials such as corten steel, stone, and wood.

The houses will be numbered similar to a hotel and this is no coincidence. People who buy a home in this development will be able to make use of the services at the Higuera Hotel Curio Collection.

It is perfectly located between the beach and the mountains. You can go to any of these places in less than 5 minutes. It is also only a short drive to Malaga airport.

Communal areas include an outdoor cinema, coworking space, walking track, picnic area, BBQ area, pet-park, outdoor gym, and a pool area for both adults and children.
