Costa Blanca North, La Nucia

We are delighted to present exclusively this large detached villa with spacious plot, private pool, private garage and separate bungalow. The main house is split into two separate dwellings over two floors. Each floor comprises of 3 bedrooms, large family bathroom, spacious lounge with patio doors leading onto large terrace which overlooks the grand pool. There is also a tower on the third floor which has a seventh bedroom. In the grounds of the property is a further bungalow which comprises of a further 3 rooms. There is Air conditioning throughout the villa and on each floor there is also a real fire. The private garden is mature with various plants and palm trees. The views of Benidorm skyline, mountains and sea transform this into a Spanish dream home! This magnificent villa is in need of some updates and would be a perfect investment opportunity. Whether you have a large family or guests there is plenty of space to accommodate everybody!
