The perfect opportunity if you want to keep horses or other animals or why not for another project you may have in mind and which needs a big part of flat land? In our mountains it's not easy to find! And, it's a bargain!

These two-in-one properties are the perfect occasion if you are looking for a nice property with a possibility of renting out also! The wooden chalets are located in an approximately 9.000m² plot that belongs to Canillas de Aceituno, Málaga, Andalucía.

The big chalet consists of 3 bedrooms and a bathroom, a living room, an equipped kitchen and a lot of outside area surrounded by great nature. Moreover, you will also enjoy the outside kitchen with BBQ area.

A lot of storage is available below the chalet as well!

The small chalet has 1 bedroom and 1 bathroom, a kitchen, a living room and a great outside terrace. Look in the movie at the extra possibilities with the 60 M² you have underneath the chalet..! You could even add an extra apartment or if you would prefer to keep animals you could make stables, or a big storage, or garage in that particular space.

As you will see in the movie, there are in fact 3 houses. We sell the villa above as well. (REFERENCE R4773409 on our website). It belongs to the same family. So you can either buy the 3 together or the 2 properties separately.

Too much to tell about these unique properties, so why not book a virtual tour with us as soon as you can or book a visit here?

You will love it!
