Welcome to a villa beyond the ordinary in quiet Alfaz del Pi! Here you live close to nature but still with a convenient distance to restaurants and shops. The promenade of Albir is only ten minutes away by car. The villa is a 600 m2 with large social areas and guest apartment. There are two bedrooms and a lovely living room with access to the beautiful and secluded terraces. The pool's central location, surrounded by the terrace and its unique architecture, makes it an exotic villa with a lovely Spanish atmosphere. From the living room there is also an open floor plan to a fully equipped kitchen and inviting dining room. A corner of the living room is designed for relaxation and here is a beautiful fireplace. From there, the stairs lead to the top of the master bedroom with en suite bathroom and its own terrace with incomparable sea views and views from Calpe to Benidorm. The guest apartment has the possibility of at least four beds. There is also a garage for two cars. Contact us for a viewing of this dream home!
