Costa del Sol, Torreblanca

The outdoor spaces are both extensive and adaptable, featuring inviting porches, expansive terraces, a well-manicured garden with both yasmine and lemon trees, a barbecue area and substantial saltwater infinity pool, offering numerous options for leisure and entertainment. As a cherry on top the villa has a rooftop terrace with superb panoramic views. This villa has interiors by the world famous interior architect Mr Vertti Kivi. The main entrance level boasts an expansive living room with an integrated fireplace, an open-plan and fully equipped kitchen. With breathtaking sea views, the master bedroom and bathroom offer the unique experience of seeing the sea while laying in bed. The view will remain unobstructed by high developments nor tall buildings. The downstairs level boasts a luxurious guest bedroom and bathroom, a state-of-the-art cinema for ultimate entertainment, and an expansive storage room providing ample space for all your belongings. Additional amenities include air-conditioning separately in all rooms, underfloor heating throughout, a home automation system for controlling a high level security system throughout the villa and entire property. This property has space for three cars. Torreblanca as a neighbourhood has maintained its intrinsic Andalusian country/suburban style and is a very peaceful area close to the beach.
