PROJECT OVERVIEW

The project is located in the prestigious enclave between the iconic Anantara Villa Padierna Palace and the renowned Marbella Club Golf.

Set on expansive grounds of 158,000m², the project uses just 6% of the land for construction, ensuring the preservation of the natural landscape. This approach allows residents to enjoy an unspoiled environment and offers magnificent views of the mountains, golf courses, the Mediterranean Sea, Gibraltar, and the African coast.

The project blends modern design and Andalusian charm, incorporating classic elements that harmoniously adapt to the surrounding enclave and natural landscape.

Located just a 15-minute drive from Puerto Banús and 20 minutes from the heart of Marbella, this gated community offers a quiet lifestyle focused on enjoying nature, outdoor sports and privacy.

The project comprises 110 villa-like apartments and 10 villas, thoughtfully distributed across 4 distinct phases.
