To the right of the hallway is what is currently used as the master bedroom with ensuite bathroom, this is a very large room and was originally the lounge of the property. There are two further bedrooms one with ensuite bathroom so you have choice whether the upstairs bedroom will be your master!

The hallways leads you forward into the open plan kitchen and then of course the dining area and lounge with large windows making this room feel light and airy. A wood burning stove is installed in the lounge to provide winter heat. Double french windows open and beckon you to the breakfast terrace and then to the pool area and garden.

Upstairs you will find an especailly large central landing that could quite easily be made into another room if needed. Bedroom 3 sits to the front of the property, again this is an extremely spacious room with double french windows and tall beamed ceilings.

The outdoor space is a true highlight, with a swimming pool leading to the garden filled with mature olive and citrus trees, providing ample shade and a serene atmosphere. A covered terrace offers the perfect spot for outdoor dining, while a sunbathing area an inviting setting for relaxation. The property's generous plot size ensures privacy and tranquility, making it an ideal retreat. Located in a picturesque Andalusian town, this townhouse combines rustic charm with luxurious amenities, offering the perfect Mediterranean lifestyle.
