Sunny triplex in Urbanization Los Zegries, Almuñecar.

South oriented property with splendid views over Almuñecar located in a fab residential with a great access from N-340. The property has 4 bedrooms, 4 bathrooms, large living room, washing room and 3 terraces. The property has also own heated swimming pool but the complex has another pool for the community. Large garage for min. 2 cars.

The house has great views over the sea and the town of Almunecar. Urbanization is a very quiet complex with a well functioning administration. Short walking distance to the beach and town. Garage can be converted to a single closed garage with a storage room.

High rental potential. The owner has already a maintenance/gardener person who takes care of the house while he is away and can continue taking care of the house while the property is rented out. Good investment in Costa Tropical.
